

HOW TO PAY YOUR MRGCD IRRIGATION TAXES

1 — **Call** Mid Rio Grande Conservancy District (MRGCD) for any questions about starting or re-instating your Water Delivery (Irrigation) contract. **Phone #247-0234**, ask for the Assessments Dept. They are physically located on 2nd street, about 2 blocks south of Bridge (follow the jiggle turn under/around the overpass and head south just past the El Modelo Tortilla Factory).

2 — **You** will need the following legal information about your property:

Owner's Name

+

Legal Description (UPC #) – use the following link at the Bernalillo County Treasurer's Office website:

http://www.bernco.gov/property/default.asp?qpaction=search_form&type=situs

3 — **If** the property has never been assessed for Water Delivery before (you are a brand spanking new irrigator), fill out the 2009 Water Service Delivery Contract – New Irrigation), make a copy for your own records, and mail it to the MRGCD (address on top of form.) You will not receive anything back in the mail until you receive your annual tax bill the following November, after you mail your Contract. At that time, you pay the taxes and you are good to go.

4 — **If** the property has been assessed before, and has somehow fallen into arrears on taxes, you will be asked to simply pay the amount in arrears (NO PENALTIES ADDED!!!) Now you are good to go as well.
